IMPORTANT GOVERNMENT ORDERS

EDUCATION SECRETARIAT

Passes orders in the matter of liberalising the rules of Grant-in-aid to Municipal High Schools.

READ—

Government Order No. E. 1816-35—Edn. 69-40-48, dated 15th November 1941, directing that the grants to Municipal High Schools be fixed for a period of three years from 1942-43 at half the net expenditure (authorised expenditure less fee income) but not exceeding Rs. 100 per month per class irrespective of the number of sections in that class.

2. Government Order No. E. 3217-18—Edn. 53-44-10, dated 2nd January 1945 directing that the rule in respect of grants to Municipal High Schools in the State referred to in the Government Order read above, be continued to be in force for a further period of three years from 1945-46.

3. Correspondence ending with letter No. H3. 1842-141 of 46-47, dated 21st March 1947, from the Director of Public Instruction, in the matter of liberalising the rules of grant-in-aid to Municipal High Schools.

ORDER NO. E. 8978-88—EDN. 90-46-5, DATED BANGALORE, THE 19TH JUNE 1947.

The question of liberalising the rules of grant-in-aid to Municipal High Schools has been under the consideration of Government for some time past. A number of representations has been made to Government by the Managements of Municipal High Schools requesting that the Municipal High Schools may be placed on a par with Aided High Schools in respect of payment of maintenance grants. This question is also being urged on the floors of both the Houses of Legislature.

The Director of Public Instruction who was consulted in the matter states that the present rules of maintenance grants to Municipal High Schools are not sufficiently liberal, that the resources of many Municipalities which have taken up the responsibility of High School Education are very slender and that it is necessary to lighten their burden by extending to them the same rate of maintenance grant which is applicable to the private Aided High Schools. He therefore, recommends that Rule 2 of the Rules for Management of Municipal High Schools (Appendix II, Mysore Education Manual, Volume VII) be modified as follows :—

Existing Rule.

"The Government grant to the school shall be not more than half the net authorised expenditure (*i.e.*, total expenditure minus fee income), subject to a maximum of Rs. 100 per mensem per class irrespective of the number of the sections in a class."

Rule as modified.

"The Government grant to the school shall be not more than three-fourths of the net authorised expenditure (*i.e.*, total authorised expenditure minus income from tuition, admission and penal fees."

The recommendation of the Director of Public Instruction is sanctioned. The modified rule will be given effect from 1st July 1947.
